THANKS FOR BEING SOCIAL WITH A PURPOSE!

Brooklyn Community Services would like to express our gratitude to Grammy-nominated singer **Maiysha**, who performed to a full house at Shapeshifter Lab in Brooklyn on April 19. Maiysha was the host of BCS's inaugural O**NE BK Social**, which is a series of ongoing events to support **ONE Brooklyn Community**.

The event brought out an lively crowd last night to listen to the beautiful song bird, including Grammy-nominated duo, Les Nubians.

It was a wonderful night and we look forward to more ONE BK Social events in the near future.

Thank you to everyone who supported Brooklyn Community Services!
